

JB Jatin Beniwal

Front-End Developer | WordPress Expert

About Me

I'm Jatin Beniwal, and I come from Bhadra, Rajasthan. I absolutely love creating new things, and that's what got me into making websites since I was in 8th grade, starting with learning about HTML. I've been learning from every moment, even Right now, I'm still in the learning phase, always trying to grow. If you like what you see in my resume, I'd be thrilled if you consider me.
